Local REALTOR® Achieves National Recognition

May 4, 2010

LONDON, ON - Shane N. Haskell with Remax Advantage Realty, Ltd. has been awarded the Accredited Buyer Representative (ABR®) designation by the Real Estate BUYER'S AGENT Council (REBAC) of the NATIONAL ASSOCIATION OF REALTORS® (NAR).

"Today's real estate estate brokers and agents want to provide a full menu of services for their clients, whether they are buyers or sellers", explains Dale A. Stinton, President and CEO of REBAC. "The ABR® designation, the benchmark of excellence in real estate buyer representation, demonstrates to clients that the agent has taken steps to continue their education in the field of buyer representation, and has the proven experience and training to deliver ethical and professional service to real estate buyers."

Shane N. Haskell ABR® joins more than 29,000 real estate professionals in North America who have earned the ABR® designation. All were required to successfully complete a comprehensive course in buyer representation and an elective course focusing on a buyer representation specialty, both in addition to submitting documentation verifying professional experience.

REBAC, founded in 1988, is the world's largest association of real estate professionals focusing specifically on representing the real estate buyer. There are currently more than 35,000 active members of the organization worldwide. The NATIONAL ASSOCIATION OF REALTORS®, "The Voice for Real Estate," is the world's largest professional association, representing over 1.2 million members involved in all aspects of the real estate industry.
